

HS UASI Planning and Citizen Preparedness 2008

1/13/2009 - 7/22/2009

Grant Applicant	Project Title	County	\$ Federal	Project Description
Racine County Emergency Management	Southeast Wisconsin Citizen Corps	Racine	\$74,000	Funds will be used by the Racine County Emergency Manager and the Volunteer Center of Racine County to educate citizens about disaster preparedness and train them in basic disaster response skills, such as fire safety, light search and rescue, and disaster medical operations. Using their training, Community Emergency Response Team, Medical Reserve Corps and school and youth Ready members can assist themselves and others in their neighborhood, school and/or workplace following a disaster event and can take a more active role in preparing their community. Funds through this grant will also be used for the development, administration and coordination of emergency volunteer training and volunteer opportunities throughout Racine and Kenosha Counties.
Washington County Emergency Management	HS UASI Planning and Citizen Preparedness 2008	Washington	\$50,000	Funds will be used by the Washington County Emergency Manager and the Volunteer Center of Washington County to educate citizens about disaster preparedness and train them in basic disaster response skills such as: fire safety, light search/rescue, and disaster medical operations. From this training the Community Emergency Response Team, Medical Reserve Corps/school and Youth-Ready members will be able to help out in the event of a disaster. Funding will also be used to develop, administer and coordinate emergency volunteer training and volunteer opportunities throughout the County.

Waukesha County Emergency Management	Enhancing Citizen Preparedness	Waukesha	\$250,000	Funds will be used by the Waukesha County Emergency Manager to educate citizens about disaster preparedness and train them in basic disaster response skills, such as fire safety, light search and rescue, and disaster medical operations. Using their training, Community Emergency Response Team, Medical Reserve Corps and school and youth Ready members can assist themselves and others in their neighborhood, school and/or workplace following a disaster event and can take a more active role in preparing their community. Funds through this grant will also be used for the development, administration and coordination of emergency volunteer training and volunteer opportunities in the Milwaukee and Waukesha Area.
